CONCLUDING REMARKS

This exercise is intended to make a self analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analysed to get a cumulative index for the period of accreditation and reaccreditation. Any substantial changes / initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create a quality profile based on the total score index arrived at and this would help to map the institutions' strengths and areas of improvement.

NAAC will provide feedback and a quality profile based on analysis of your inputs if you desire so.

Thank you for your participation.

Academic Excellence

The academic results of the college have always matched the reputation and level of standard which the college has attained over the years. The college is legitimately proud of its young scholars who have been capturing coveted positions in the University merit list and have thus been bringing laurels to their alma-mater. The college pass percentage has always been much higher than that of the university pass percentage and is ample proof of its academic excellence.
